ALL RIDERS NAMES (HINT: Rally Master is a fan of legibility...BIG TIME!)

(____ / 25)

START YOUR BRAINS. THIS ONE GOES TO 11!

I have had the great privilege of creating 26 of these gems! I have been yelled at, profaned and knocked about...All in all, it has been a great journey...I have been asked every year since the 20th if I will continue, well with the great help I have and with the all good I think we are doing...I think we shall continue. I might be a little older but if you enjoy this one then maybe I haven't lost it yet. Good Luck!

Pass the porn bakery, as it was called, and at a light past Silver turn left. How many schools (Colleges and Universities) do you count between this light and the light at which you are to turn

Point 5 (_____/ 15)

Carrying on, I'm late, I'm late for several important dates. 59N is your path, and stay left passing a keeper of sheep, but stay sharp exiting at the capitol of Virginia and following it to the Main drag, where you take a left and notice the "before" of a Rice project that will cost \$100,000,000 and bring back to this area a renovation to the future. This building was erected in 1939 and is the first of several theme buildings we will visit today. **This is Point 5!** Its name? _____ Sears _____ **5 points** Its new future name? _____ ION _____ **10 points**

Point 6 (_____/ 10)

Stay on the rail road, not crossing the tracks. You should be amazed at the continuing apartment additions. Hank Ketchum is your clue to your next turn, which is right. Ketchum's troublemaking character's name? _____ Dennis the Menace _____ **5 points** In 1 block, right again. 2715 is your next point. Unique building that has stayed medical since Dr. Hugh C Welch built it in 1939. **This is Point 6!** _____ Midtown Open MRI _____ **5 points**

Point 7 (_____/ 20)

Continue, quickly when God appears turn left. At a MAJOR TEXAS battle turn left and continue 'til you can turn left at a mix of black and white. Follow this path, turning right 1 block after the tracks. You will pass a MEGA and a SPIRE. What was the post-modern architectural phenomenon known for its spire and triangular side walk? ___ Art Deco _____ **5 points** What was this building for our 2nd First? _____ First Church of Christ Science _____ **5 points** A tip of the hat to one of our partners in Susan's Rally's apartment ministry, the Sojourn House, and the 3rd First on our tour, name it. ___ First Methodist _____ **5 points** Again tip the hat to HPD, and a right turn at Texas' Collin County's 2nd most populous city, and at Main means take a hard left. Slow when you are at 905, you have arrived at the once fashionable SMART Shop built in 1929. **You are at Point 7!** Its name now? _____ Holy Cross Chapel _____ **5 points**

Point 8 (_____/ 15)

Continue as only you can to The Reserve, and turn right cruising past 3 lights, and turning north and parking at the 4th. **You are at Point 8!** What is it now? _____ Kinder HSPVA _____ **5 points** What was it and when was it established? _____ Old Houston Academy in 1856 _____ **10 points**
