

# Key Susan's Rally 2017

THE SUPER EASY POINTS... 25 OF THEM!

CAR NAME (your choice) \_\_\_\_\_

ALL RIDERS NAMES (HINT: Rally Master is a fan of legibility...BIG TIME!)

( \_\_\_\_ / 25)

## START YOUR BRAINS

This is the 24<sup>th</sup> year of inviting you into my brain, granted it has aged but I still hope that the fun is still there! Remember NOTHING is obvious unless it is obvious!

Susan's Rally came from the death of my sister. She died April 19<sup>th</sup> 25 years ago. I am in awe at what her life has come to mean, and the good we have done in the name of just one of so many of those friends and relatives that have gone before and after. Please have fun, she did!

### Point 1 ( \_\_\_\_ / 15)

Pulling out to the right, follow the STRAIGHT ARROW, go under 3 overpasses and turn right at the home state of Bob Dole. Go over a track and turn left when you must. Pass a church and turn left when you have no choice, and left when it says DO NOT ENTER. Don't snatch till you see a Gainsborough. For what was he famous? \_\_\_\_\_ **British Painter, "The Blue Boy"** \_\_\_\_\_ **5 points** You are at Point 1! Where are you? \_\_\_\_\_ **Gainsborough Waste** \_\_\_\_\_ **5 points** How would you like this next door? What things can be eliminated? \_\_\_\_\_ (any sensible answer) \_\_\_\_\_ **5 points**

**Point 2 (\_\_\_\_\_/20)**

Retrace your steps, let nothing detour you except the street. Pass our neighbor's neighbor to the north. Continue to follow the path, no choices here and don't get "petty" on me. Clementine means a turn to the left. A tip of the hat to the Susan's Rally's upholsterer and great supporter "The Joseph Company"! A dead end means a turn to Bill and Margret's namesake LARKIN. Turn left, and again at a keeper of ewes. Pass a LOVE connection, turn left when you celebrate your Quinceanera! Notice the house of the future. How many windows at 1501? **\_10 or 11\_ 5 points** When you hit the THURSDAY NIGHT FAMOUS BINGO PARTY **you are at Point 2!** Where are you and what time does Bingo start? **\_SPJST Lodge. 7:00 pm\_ 5 points** Don't be late or you won't get in. What adage is over the front door and what does it mean? **\_Vitame Vas - We Welcome Yo\_ 10 points**

**Point 3 (\_\_\_\_\_/ 10)**

Turn left when you have to and go where arrows go both ways - you go the incorrect way. Pass a princess' partner, and when you see lights turn rights. Pass a 7 and Tommy's house. Turn left at one better than perfect. Go past another place in time and pass the highs. Turn in at the state tree of Oklahoma and let's enjoy some of the Height's gallery life. **You are at point 3!** What art lettered message is on a suitcase? **\_\_\_\_ FAIL (Redbud Gallery closed - free points)\_\_\_\_ 10 points**

**Point 4 (\_\_\_\_\_/ 35 + \_\_\_\_)**

Continue on traveling east, pass a Kennedy's resting place, and the best little burger place in town! Stop if you have to, and follow that sequence 3 more times. Turn right BEFORE you pass over an overpass, then veer left and stay centered on a Colt model gun. Exit on the elevated 14<sup>th</sup> President. Follow your 1 term president till you pass a Broadway musical. Name it. **\_\_\_\_ Hamilton\_\_\_\_ 5 points** A cross building means you're on the right path. Only after you pass Burr's antagonist do you go under 5 overpasses. Pass through a confederate street that has not changed yet. Name it for **5 points** **\_\_\_\_ Dowling\_\_\_\_**. The answer's up there - what did Dr. Jones do? **\_research - reduced ICV infections\_ 5 points** A tip of the hat to our University and all she brings us. Follow yellow and black...Adieu to the University. At Alexander Graham Bell's creation, veer right, and quickly eyes on ORANGE, a right turn is warranted. How many mosaic pieces do you count on the "ART CAR CAPITOL OF THE WORLD" sculpture? **\_\_\_\_260 (Rally Master's count)\_\_\_\_ bonus 50 points!** Drive carefully, and when you reach Smither's, notice the finished product since we last visited 2 years past. How many amphitheatres do you count for? **\_1 or 2\_ 5 points** Continue on past a DEAD END. All these houses are inside the loop. Turn left when you must, and at Geo. Meyer turn right, and a choice turn means left. pass a Big State, and at Richmond's continuation street wheel right. Pass Jeurdon and an elephant park. No stop at Andy's or the Obanion's! Next point is WINKING

at you. **You are at point 4!** one of the preeminent breakfast spots in the country according to CBS's Sunday Morning! The address and price of biscuits and gravy posted on the window, gets you **15 points.** 4318 Telephone Rd, \$2.99 (\$2.50 accepted)

**Point 5 (\_\_\_\_\_/ 10)**

Travel on, passing Sutton's motorcycle's heaven. Go under an overpass and pass Frank's 1 and Frank's 2. Go figure? Prepare to play Monopoly by turning left at the games 2<sup>nd</sup> most expensive property enjoying Houston's claim to fame, "NO ZONING", and then right at The GREAT WHITE WAY. Before you take the airport by storm, notice the finished street project. When was Glenbrook established? 1953 **10 points** Then turn right passing over 1 road hump, and turning where Ponce will feel at home. Take another right at a toothpaste, and when you are at 8008 **you are at Point 5!** This house named The McBay House was built in 1963 and renovated in 2011 from total deterioration was listed in Houston House and Home. Retrace your steps and on to the next point. Prepare to go back to the Mid-Century, it will be point 6.

**Point 6 (\_\_\_\_\_/ 10)**

Follow the lane, retracing your earlier steps, enjoying many houses untouched by would be renovators. Follow the path turning left at the stop, and over the hump is another clue to turn left, and follow the curve to a house referred to as the SPUTNIK House! **This is point 6!** What was Sputnik? 1st Earth satellite (Russian) **10 points**

**Point 7 (\_\_\_\_\_/ 10)**

Continue on your curve, stop when you must. Go on to pass through the light, the next point is just ahead at 7911. Perfectly restored! The Richard-Nelson House, built in 1955 with the garage addition (dubbed the Kit Kat Lounge) made in 1960 and furnished by Finger Furniture. Listed on the AIA Architectural Guide to Houston. **This is point 7!** Tour it if you can soon. **10 points** here, just for the front door color? Red (or any reasonable hue variation)

**Point 8 (\_\_\_\_\_/ 20)**

Go around this house to your left, and survey other homes that have similar attributes. Glen Valley is your turn, and Santa Elena takes you to Broadway and on to your next destination. Enjoy NO construction! Pass 3 lights, and a METAL TREE means turn right. And Pass rental-rama and a cell phone lot. Turn left after a Beltway 8 under tire, and continue on that direction to a NEW HOUSE, and turn accordingly till Tilman's empire pops up. **This is point 8** after a right and a left! Pull in and enjoy another step back into the MID-CENTURY. Give me the inauguration of this building and its name. 1940 Houston Municipal Airport Terminal (museum) **20 points**

**Point 9 (\_\_\_\_\_/ 20)**

Retrace your steps all the way till a turn takes you away from Hobby on an Airport. After your turn, go one light, and turn right, on to a light to turn left on the Houston little loop! At Reverend King's homage in Houston, veer off right and stay on an access till you see double. The Moore boys operate here. **This is point 9!** What is the Twin's Birthday, and what is the message for you Rally participants? A tip of the hat to Twinco! \_\_03/04/48, Dad's name is Jo Jo\_\_\_\_\_ **20 points**

**Point 10 (\_\_\_\_\_/ 25)**

Continue on. You got me at COWBOY. We are going to head to the barn or the Amory. No on Pearland, on to downtown, and when you have 4 exit choices pick the OLD WATCH. Enjoy the view and veer right. Pass another Rally point, and light means left, and at current greatest musical turn left. Stay right till you are stopped by a dead end, turn left, and another right at the Iron Bowl state! 4 blocks means turn left. Park and enter under the ARCH. But that's not all...Cornerstone date gives you **25 points.** \_\_April 21, 1925\_\_\_\_\_
